Summary of reasons for decision:

This computer moving image file is deemed to be objectionable under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993 because it promotes and supports the exploitation of children for sexual purposes. The file shows a man sexually abusing a young boy. The purpose of the clip is to sexually arouse adults with a sexual interest in boys. The availability of this material is likely to encourage this sexual interest and strengthen the idea that children may be used for adult sexual gratification. The classification of this publication interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent

with Parliament's intention and reflects the concern of a free and democratic society to protect its young and vulnerable members from sexual exploitation.
